

2019 ADRIENNE WEAVER SCIENCE TEACHING AWARD Nomination Form

The Adrienne Weaver Children's Fund for Science was established in 1999 in honor of Adrienne Weaver by her friends and family. Adrienne devoted 30 years of her professional life to teaching in Seattle Public Schools and was passionate about teaching science to elementary school students. She was a lifelong gardener and found enormous pleasure working with kids, animals, plants and tide pools.

Award Overview

The Adrienne Weaver Science Teaching Award honors a K-8 teacher in Seattle Public Schools who inspires students in the natural sciences (e.g. biology, environmental and life sciences). This award also seeks to recognize a teacher who collaborates with colleagues to integrate science throughout the curriculum and the school community.

The award recipient will receive a \$2,500 grant for supplies, professional development, or other expenses related to inspiring students in science.

Eligibility

- Teachers in grades K - 8 who have been with the district at least three years
- Teachers from schools where, *for at least two of the past three years*, the percentage of students eligible for free or reduced-lunch is 40% or higher (see list on page 2)

Nominee Information

Name: _____ Email: _____
School _____ Grade: _____
Years of service as K-8 Teacher (minimum of 3): _____

Nominator Information

Name: _____ Email: _____
School: _____ Title: _____

Colleagues, principals or SPS administrators may nominate. We encourage collaboratively developed nominations. Please list contact information for additional nominators on separate page as needed.

Nomination Questions (Attach up to two pages)

1. Describe how this individual is inspiring students in the natural sciences (e.g. biology, environmental and life sciences). Please provide specific examples.
2. Describe how this individual demonstrates, through teaching, a belief that *all* young people can excel in science. Please provide specific examples.
3. This award seeks to recognize a teacher who collaborates with colleagues and others to integrate science throughout the curriculum and school community. Please describe the nominee's strengths in this area and provide specific examples.

Nomination Deadline is Wednesday May 1, 2019

Please submit all nominations to Zeynab Abdulqadir at zeynab@alliance4ed.org or by mail to:

Alliance for Education/Adrienne Weaver Science Teaching Award

509 Olive Way, Suite 500

Seattle, WA 98101-2556

Questions? Please reach out to Zeynab Abdulqadir at zeynab@alliance4ed.org, or at 206.205.0324
